### 2018

### Headteachers message .....

As you can see from the diary dates overleaf, we have a very busy few weeks ahead of us. I look forward to seeing parents in school attending the events.

I am pleased to report that attendance improved last term, however I have had a lot of requests for term time holidays. As you are aware, Governors have made the decision that a Fixed Penalty Notice will be issued for each child who is of statutory school age, and I only have the authority to authorise holidays in term time under exceptional circumstances provided in a letter from parents or carers.

Today the sun is shining for the Year 5/6 Sports Day at Birchwood Juniors, let's hope it does the same for the Woodlands children next week!

### **Breakfast Club**

Breakfast Club is open from 7.50 am - 9.00 am daily. Children may come for the full session or for activities only which is from 8.30 am.

**£2.25 Breakfast and activities**

**£1.25 Activities only**

Breakfast Club booking forms can be found in the grey letter dispenser on the wall in the school foyer.

Please can you make sure that the booking form is completed and handed into the school office before paying on ParentMail to ensure places are available and that staff are in ratio.

To find out what we have been doing in school each week, please follow us on twitter. Here you can see all of the exciting and wonderful things that have been happening in school.

### **Health and Hygiene**

There has been a report of Threadworms in school. Please can we ask parents to be vigilant and talk to your child about the importance of hygiene and washing their hands every time they have been to the toilet. Staff do remind children about washing their hands to avoid contracting or spreading germs, but it would help if you would speak with them also.

Your support is greatly appreciated.

### Water Bottles

Please can you ensure that your child(ren) have a sipper bottle of water so that they may drink regularly during the day. Drinking regularly is proven to help children concentrate especially as the weather warms up.

Bottles can be purchased on ParentMail if you so wish and will be handed to your child in class. These are £1.20.

### School Uniform

Please can you ensure that children are wearing their full school uniform. This does include school shoes and **NOT** trainers. **Trainers are for PE NOT** for every day school use.

Please could parents/carers ensure that **ALL ITEMS** of clothing are clearly named so that when the weather is warm and children take off their jumpers in the playground, they can be returned to the rightful owner.

### Attendance

Well done to all the children that received 100% attendance certificates for term 5. A special well done goes to; Holly in nursery, Ella in Oakroom, Sam in Fir class, Amelia in Pine class and Luca in Maple class, who were all drawn from a raffle. Each child received a book, presented by Rachel from Vision Education, sponsors for schools attendance rewards. A BIG thank you to them.
